Kicking off the year, Key Club encouraged school spirit by selling snacks at the concession stand during home varsity football games. Donating money in buying a kidney machine and contributing to the Cancer Foundation in the name of ex-Kofan Brian Thom showed the club's community interest. Profits from the stand also went into sponsoring a homeless child in Viet Nam. The club's annual breakfast and spring banquet concluded the club's highlights.

Girls league sparks controversy

Deedee Baxter shines as Girls League president.

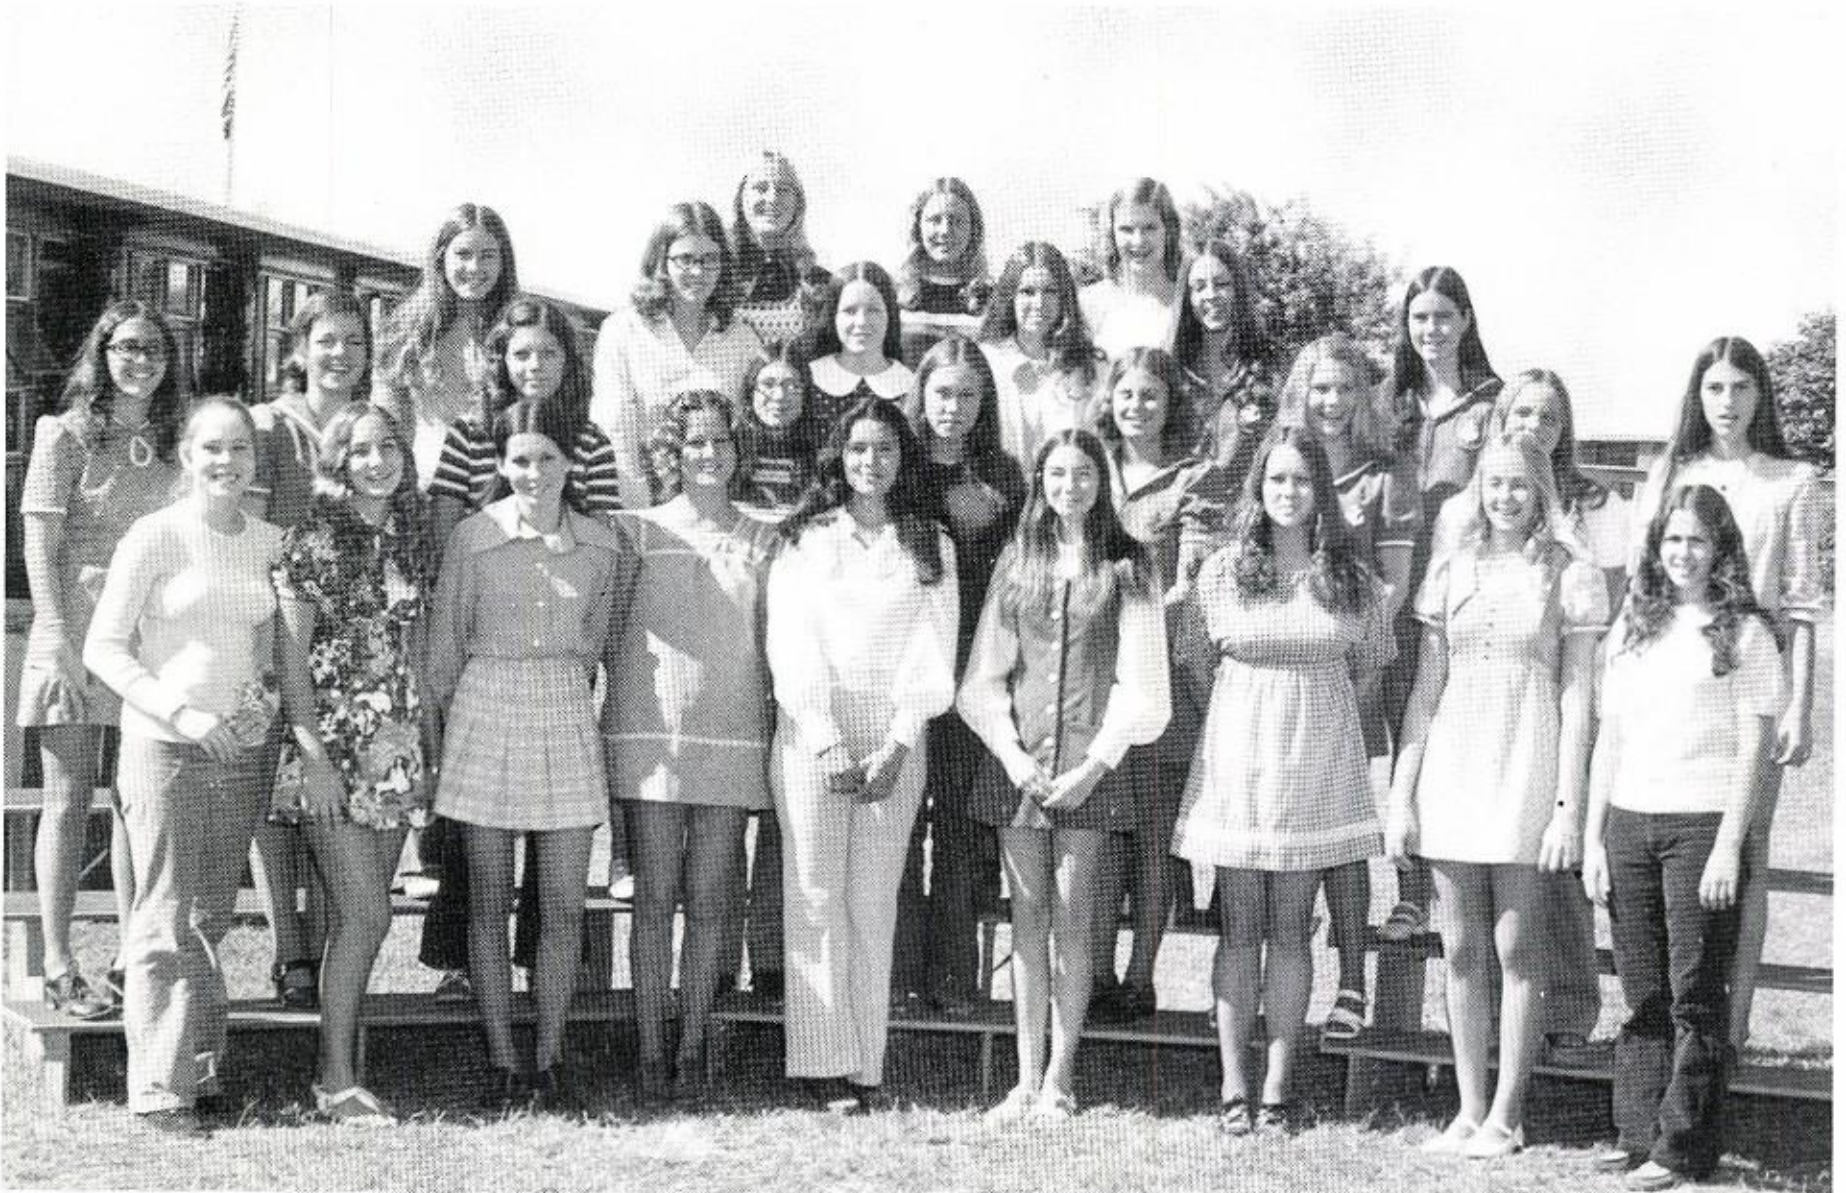

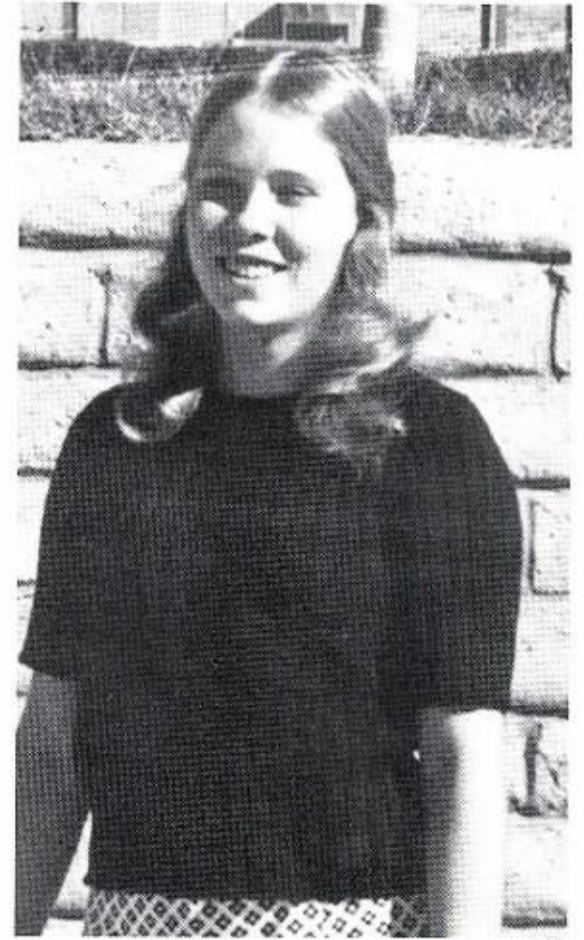

Girls League was one of Kofa's most active clubs. The club held their annual big sister-little sister tea to welcome the incoming freshmen girls. Their other plans included selling cokes at all basketball games and giving Thanksgiving and Christmas baskets to needy families. Also at Christmas Girls League held a rummage sale. Another function of the club was to sponsor activities and programs for Kofa girls.

One program that Girls League sponsored caused much controversy. The club brought in speakers from Yuma's women's liberation organization, and it was weeks before people stopped talking about it.

New members were let in each quarter and their sponsors were Mrs. Slade and Mrs. Cheatham.

The Latin Club was a club designed for people who were interested in the ancient Roman culture. Latin Club's biggest event was their Saturnalia. At this event initiates were sold as slaves. Other activities were selling suckers and donating money to the United Fund.

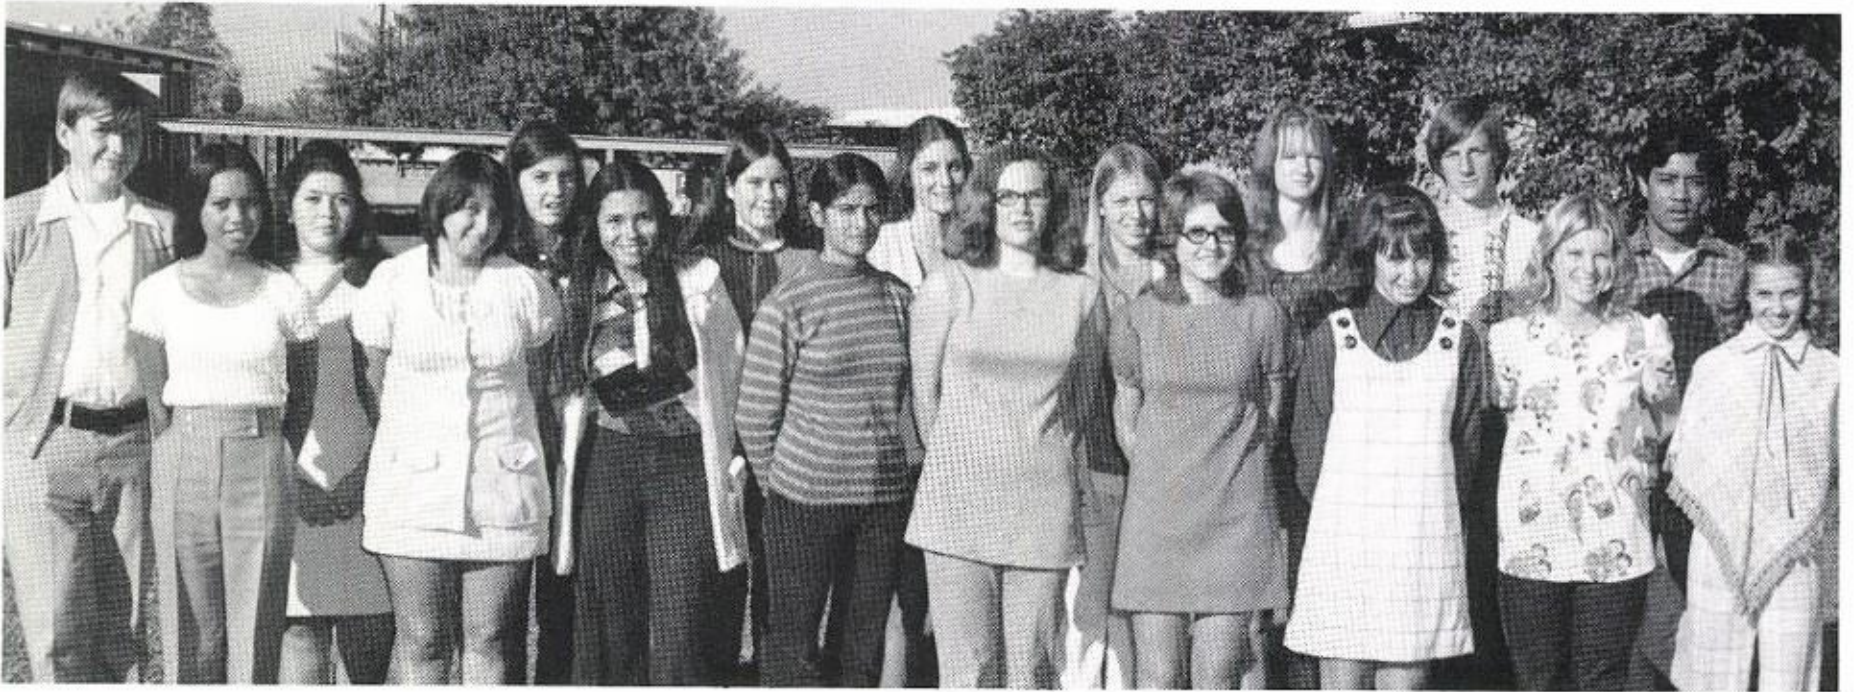

The purpose of Spanish Club was to teach students about the customs of the Spanish speaking people. To foster this purpose, Spanish Club held many money making activities such as sponsoring a dance and holding a rummage sale.

Future Business Leaders of America's purpose is to encourage young men and women in the development of individual projects and in establishing themselves in business. Members attended the Fall Leadership Conference in October and later on in the year attended the State Convention at A.S.U., in which members competed in different business fields. For fund-raising activities the club held a bake sale and sponsored the Ugly Man Dance. During Thanksgiving, club members collected canned goods for a needy family; they also held a Christmas party for the Faculty.

VICA makes it happen

This year, Kofa's chapter consisted of eight different clubs. They elected Richard Landin as their chapter President; Kent Rautenberg, Vice President; Joy Labistre, Secretary; Maria Martinez, Treasurer; Dora Lee Fike, Historian; and Mike Golden, Parliamentarian. In early October Sandy Foster was elected their Chapter Sweetheart.

The Fall Conference on Oct. 20-21 found eight Kofa VICA members running for state office. Two were elected to state offices. They were Marie Thomas-Region 1 Vice President, and Sandy Foster-State Sweetheart.

On November 2, they installed their officers as well as the officers from Antelope.

Awaiting the election returns for VICA offices, are many fine VICA delegates.

Girl's Athletic Association is one of Kofa's newest and largest clubs. It was organized in the early part of October. The purpose of G.A.A. is to promote intramural and extramural athletic program for Kofa High School girls, to promote sportsmanship and to support school spirit through active support of all school activities. G.A.A. sponsors an annual Mother-Daughter Banquet, held the first week in May. Three awards were handed out for the most outstanding members.

Anchor club carries the weight

Anchor club associated with many activities this year. The club members sold cokes at the A.W.C. football games to raise money for Boy's Club. They also made stockings, for welfare recipients, for Christmas as well as their usual food baskets for both Christmas and Thanksgiving. A new activity came into their club this year; sponsoring a fifty dollar scholarship. They also donated many dollars to the fund-raising of the new kidney machine for Desert Manor. They also sponsored a dance during the year.

Being that this is it's third year at Kofa, the Environmental Club feels that it has established itself as a respected group and plans to be around awhile. The club feels that it is responsible for making the students at Kofa realize the environmental dangers surrounding and affecting us all.

Any student having a grade average of 2.5 and above and interested in the fascinating game of chess should write a letter to the club. If accepted the rewards are varied, as the main goal of the Chess Club of Kofa High is to spread the interest of the time consuming and complicated game. Activities included challenging play in tournaments, both cross-town and state wide. The chess club sold peanut brittle, as they do annually, and raised money to pay expenses, as well as rooting Bobby Fisher on to victory. The Chess Club sponsor is Mr. Cutrules.

As art is man's expression of his thoughts and feeling in visual form, the goal of the art club gives students a chance to create and discover for themselves, while becoming familiar with the principles of design.

Painting, drawing, metal arts and pottery offered opportunities for self expression while arousing interest to experiment with new materials and ideas inspiration and creative ability comprised of the production of their art work which was presented publicly.

The Science Club at Kofa was organized to promote a larger, wider understanding of all science. Membership in the club is open to all sophomores, juniors, and seniors sharing a 3.0 grade average or better, and who have taken at least one lab science.

Kofa Quartet performs at Chandler game.

Rain, rain, go away!

Del Segno was comprised of members of marching band who had successfully completed the season. This year's activities included marching in the town's annual parades, as well as sponsoring a poster party for the Kofa-Yuma game, and collecting wood for the bonfire. As usual, the season seemed to end too soon.

This year's band indeed achieved near perfection. They participated in the state-wide Marching Festival held at A.S.U. The band was pleased when they walked away with a "Superior" rating—a big "number one."

Future Nurses making Health a career.

The Kofa Forensic Society was the brain child of Ms. Dixon's fourth period forensics class. Together they wrote the constitution of the new club and elected officers. Their main purpose is to raise money to travel to speech contests around the state. This speech team represented Kofa strongly at the Northland Speech Festival by bringing home two superior ratings and one excellent one.

The Quill and Scroll chapter at Kofa is only one of the groups belonging to this nationwide society of high school journalists. The requirements for membership included being in the upper majority of the class and to have had experience working on the King's Page. Prospective members must be active in Quill and Scroll for at least half of a year before being accepted into the club.

The money making projects included selling spirit cards, which contain catchy slogans having to deal with our opponents. Quill and Scroll also helped school spirit by way of posters parties. Club sponsor is Mrs. Coke.

The Health Careers Club at Kofa High was formed last year out of the Future Nurses of America. The clubs purpose is to further the interests of students in nursing, technology, and social service. Anyone interested in learning the different fields of health careers may join. Money was raised by way of candy sales during the year. Sponsor is Mrs. Saxe.

Model U.N. teaches Kofans leadership abilities

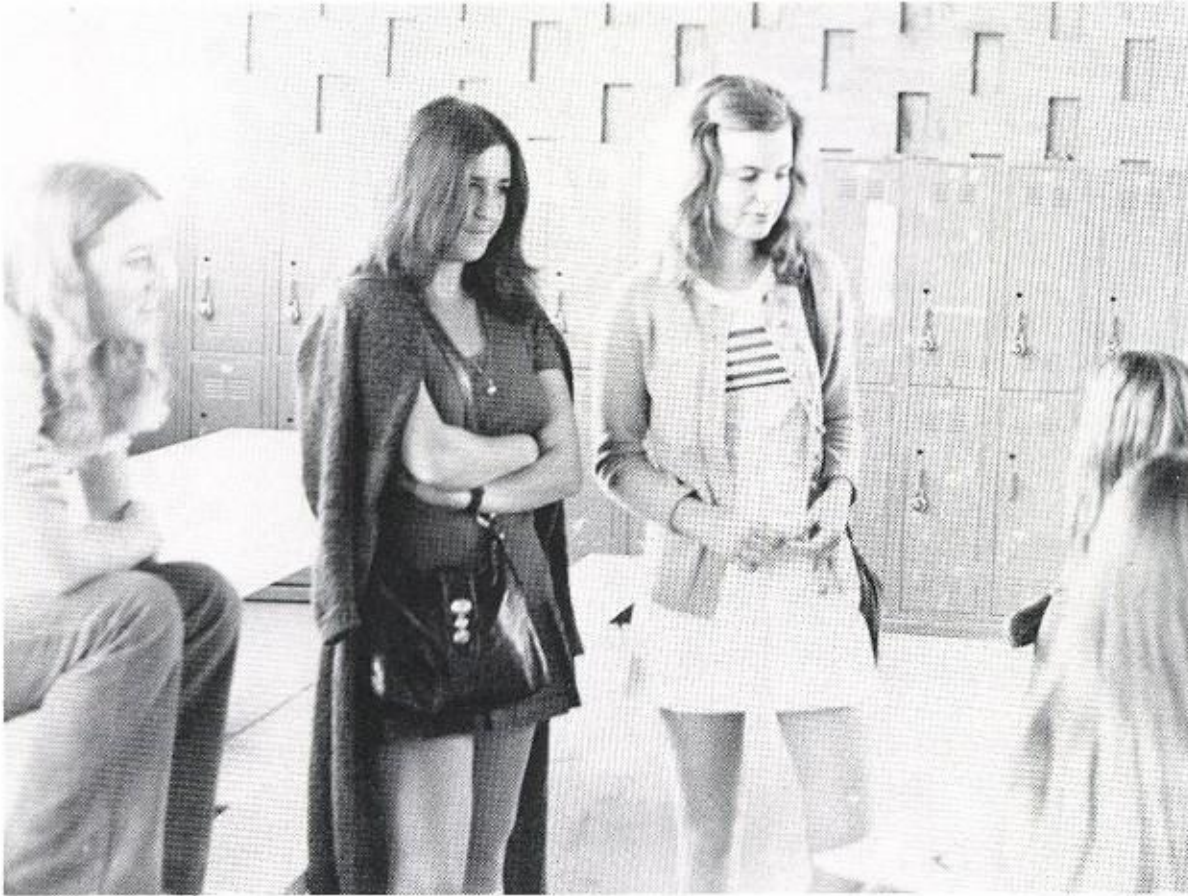

Model U. N. Delegates: B. Umstead, S. Hamma, D. Ambur, T. Pallack and G. Lyle. Missing: T. Boswell, R. Moran and J. Deyo.

This year, eight students attended the Arizona Model United Nations Assembly that was held at the University of Arizona in Tucson. The model U. N. is a simulated session of a meeting of the General Assembly where each of the countries involved is represented by an Arizona high school. Kofa students represented two countries—Senegal and Mauritania. Before attending the Assembly, the group studied the customs, life styles, beliefs and cultures of the countries so that they were able to represent them properly at the Assembly. Some of the issues that were discussed were: Refugees from Palestine, Colonization, and Terrorism. The featured speaker at the banquet was Lester Pearson, former Prime Minister of Canada.

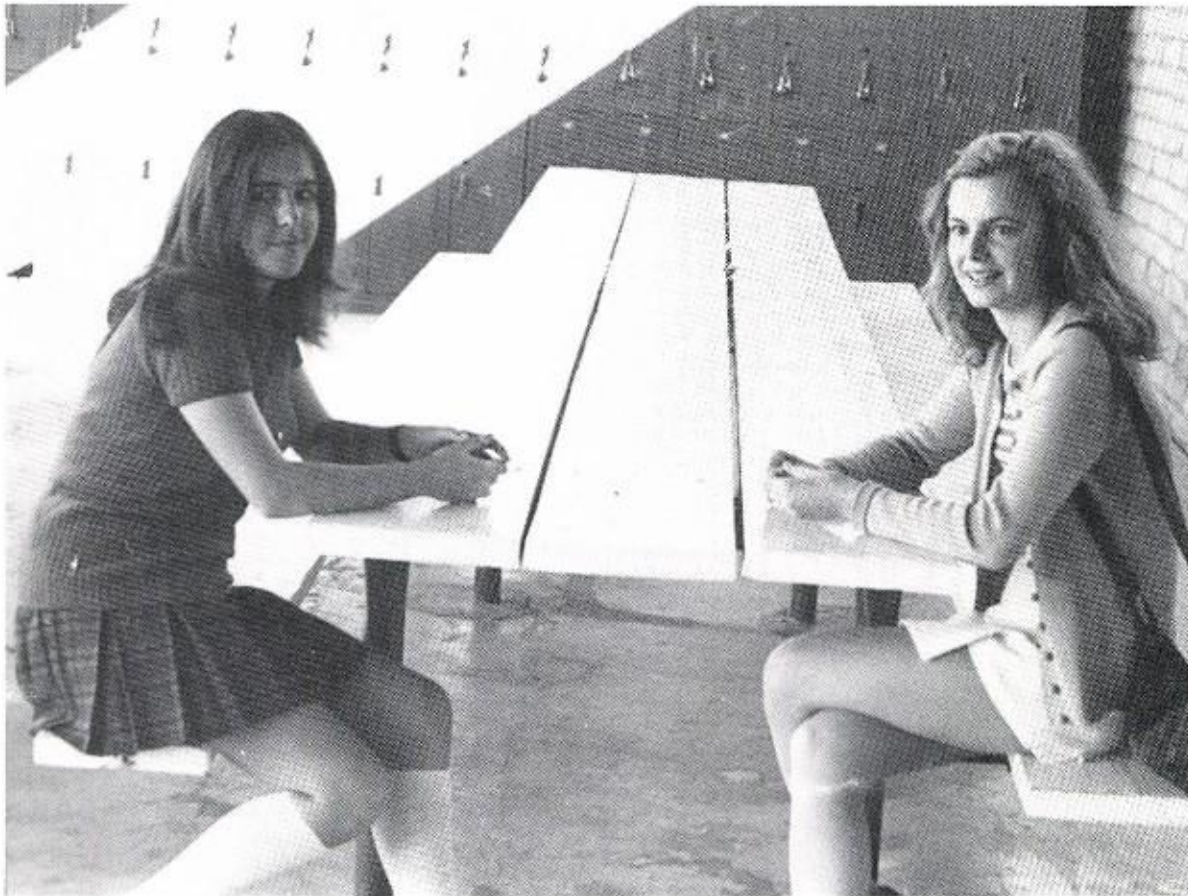

Alternates: P. Roberts. Missing: J. Hansohn

Foreign exchange students

Betty and Ulla talk with some of their friends.

Betty and Ulla take a few minutes for rest before going to their next class.

Betty Fraile was one of Kofa's foreign exchange students this year. She actually graduated in her hometown, Los Castores, Venezuela, but she came here to learn about the language and the people. She lived with the Baldwin family during her stay. Betty used "hot" as her one word to describe Yuma. In her opinion, the boys are very friendly and helpful.

Ulla Kivioja was our other foreign exchange student. With blond hair and blue eyes, Ulla, who is seventeen, comes from Finland. Her foster family was the Pettits. Her favorite thing about Kofa was all the things that belonged to a school day, especially the people.

Betty talks with her foster brother Paul Baldwin.

Kofans practice Brotherhood

Delegates: Annette Bombard, Steve Norton, Camille Sinclair, John Becker, Becky Umstead, Steve Hamma and Freda Drysdale.

Anytown's theme this year was "Turn on to Life." The camp was located on Mingus Mountain. Morning activities included optional nature hikes and hillside sings. During their stay, the Anytowners attended workshops every day. Some of the workshops were Let's Join the Human Race, Comparative Religion, and Yoga. Culture night, Skit night and an all night party were a few of the nightly activities. One Anytowners' comment was "An experience I'll never forget; if everyone could go to Anytown, the world would be a better place to live."

NCCJ, which stands for National Conference of Christians and Jews, is a national organization set up to combat racial and religious prejudices. This year, eight Kofans attended the Conference held at Glendale Community College. During the morning, students listened to speakers; in the afternoon, they divided into discussion groups. The groups chose the subjects they wanted to discuss and led the discussions themselves with people from various community works.

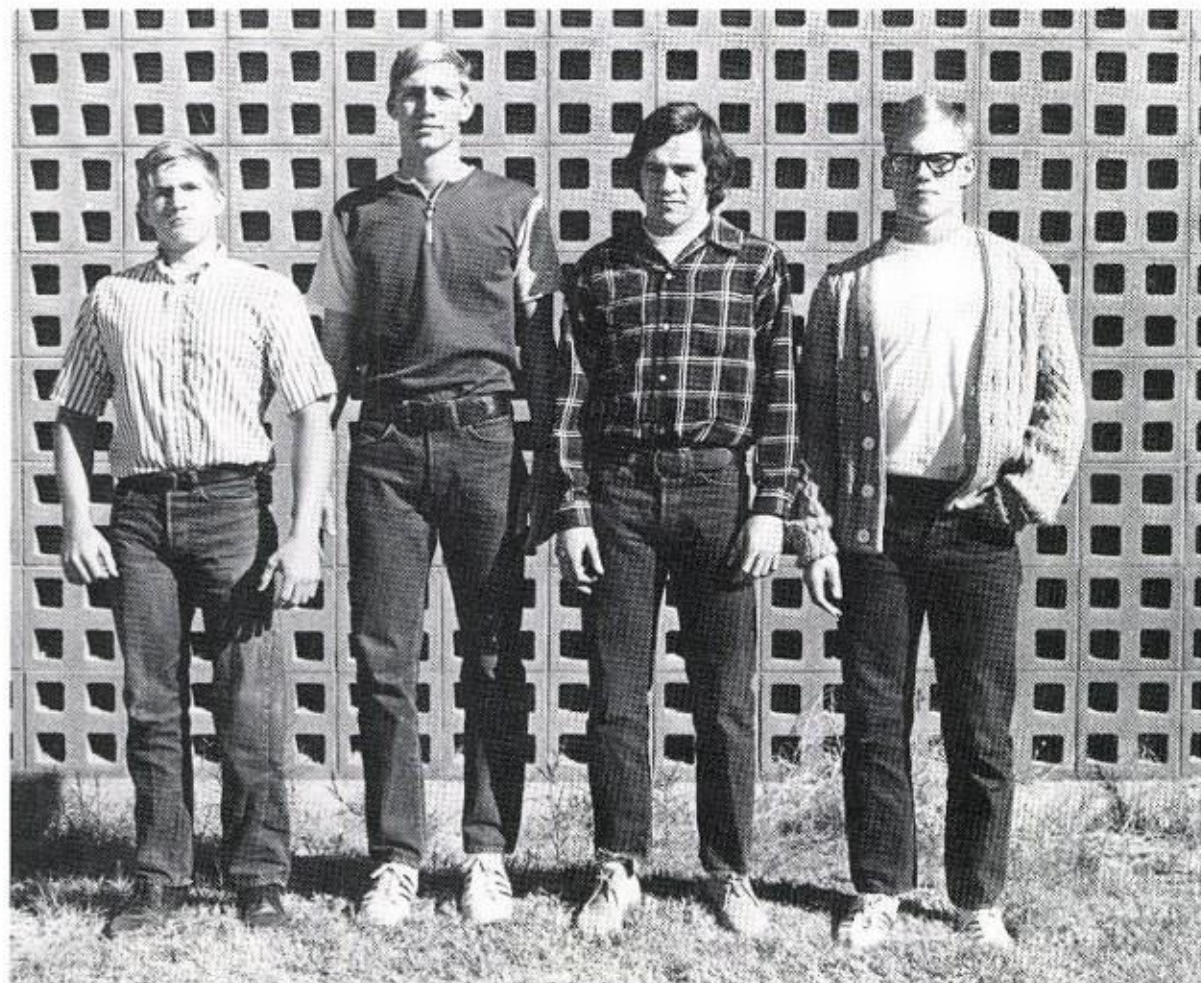

Delegates: Linda Mauldin, Rachel Moran, Ulla Kivioja, Laura Powell, Betty Fraile, Bill Mendez and Pam Whitson.
Missing: Mike Feiler, Beth Roberts, and Kevin Johnson.

Kofans learn government first-hand.

Girls' Staters: Dona Ambur (alternate), Lynnette Mann, and Cindy Collins. Missing are Jamie Deyo and Lynn Peralta.

Boys' Staters: Jim Buster, David Radtke, Tom Pallack, and John Feiler. Missing is Kim Tillou.

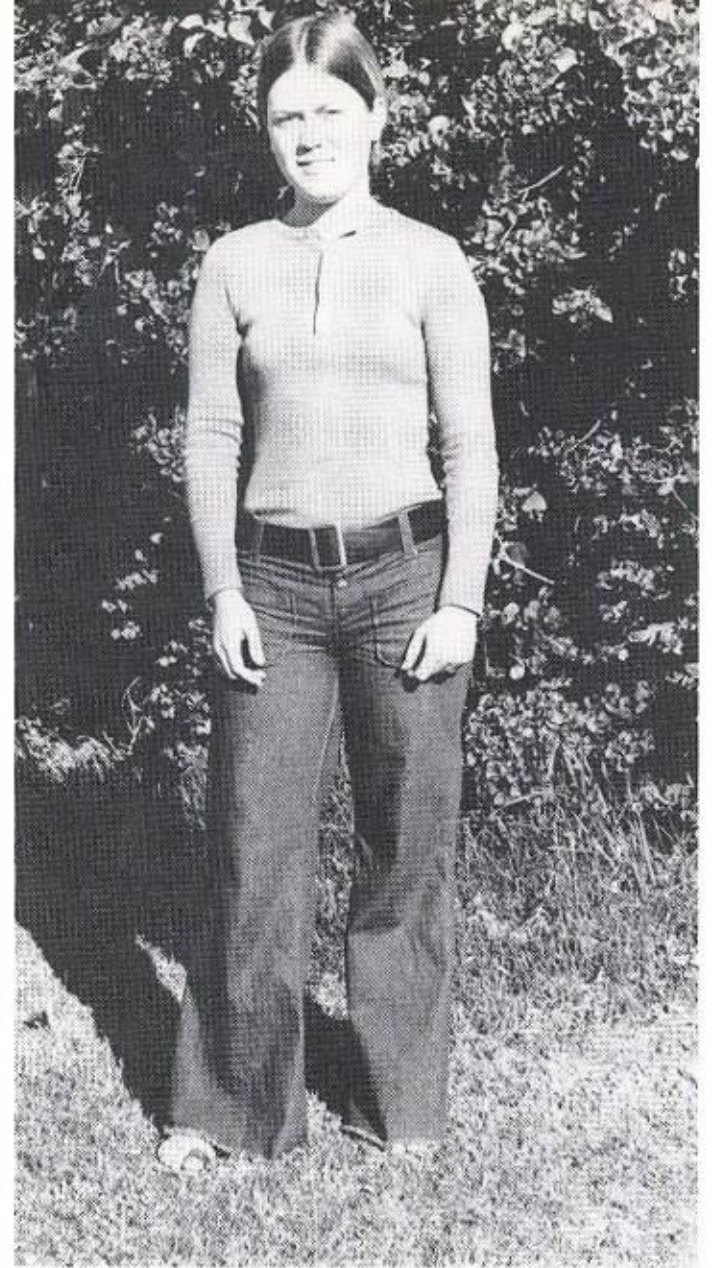

This year's Girls' State took place at the University of Arizona, in Tucson, while Boys' State was held at Northern Arizona University, in Flagstaff. There, the nine students from Kofa lived a mock government for one week. They participated in three different levels of government, including city, state, and county. Each person lived in a city. These cities had approximately thirty-two students each. The dormitory halls were decorated to resemble an actual city, with lines going down the hall to divide the different lanes of traffic. Tickets were given for moving violations such as speeding and reckless driving.

There were eight cities, with four cities assigned to a county. Supai, Cocopah, and Poston were a few of the counties. Both groups said that the programs were extremely well-organized, and that they came back with a much greater knowledge of how governments function.

Kofa's Jazz Ensemble this year was as good as ever. Playing more contemporary music than the symphonic band, the Ensemble performed at many festivals. These festivals took them all over Arizona and Southern California. The Jazz Ensemble was directed by Marshall Olp.

Kofa High's Band keeps music alive

The musical marvels of Kofa High consisted of 97 pieces. Led by a former Kofan, Marshall Olp, the Band spent many long hours practicing. But some of the many advantages of being in band are their neat bus trips, getting into games free, and having the best of company. Other fun was attending a marching festival in the spring and bringing in a professional musician.

Cheerleaders ignite spirit in Kings

Cheerleaders: L to R-Lynn Peralta, Angie Stelly, Debbie Melkowski, Cindy Collins, Penny Kukuk, Susan Lemke

Debbie Melkowski waits intensely as the Kings perform.

Kofa spirit this season was mass produced by the 1972-73 cheerleaders. Bearing the distinguished honor of head cheerleader was senior, Cindy Collins. Rounding out the remainder of the cheerleading squad are seniors Penny Kukuk, Lynn Peralta, and juniors Angie Stelly, Susan Lemke, and Debbie Melkowski. These girls have boosted the morale of all the Kofa athletic teams. This year's hard-working cheerleaders are under the direction of Miss Bonnie Watters.

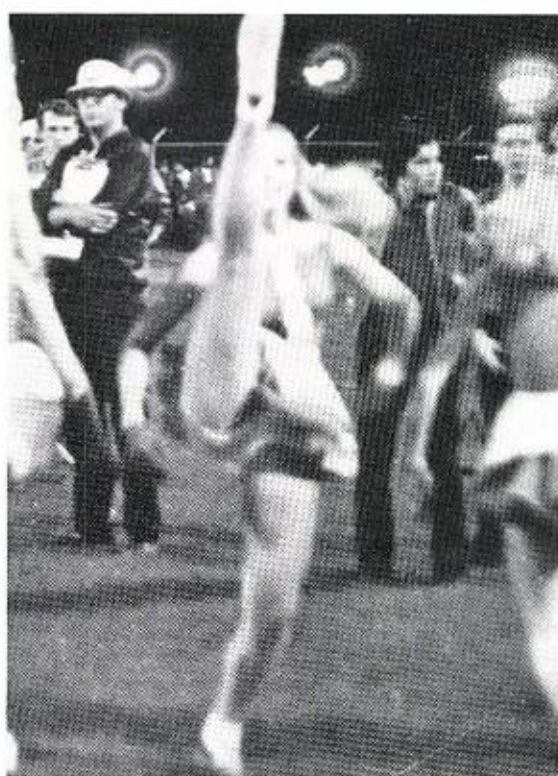

Lynn Peralta proclaims "We're number one."

Enthusiasm reigns supreme in songsters

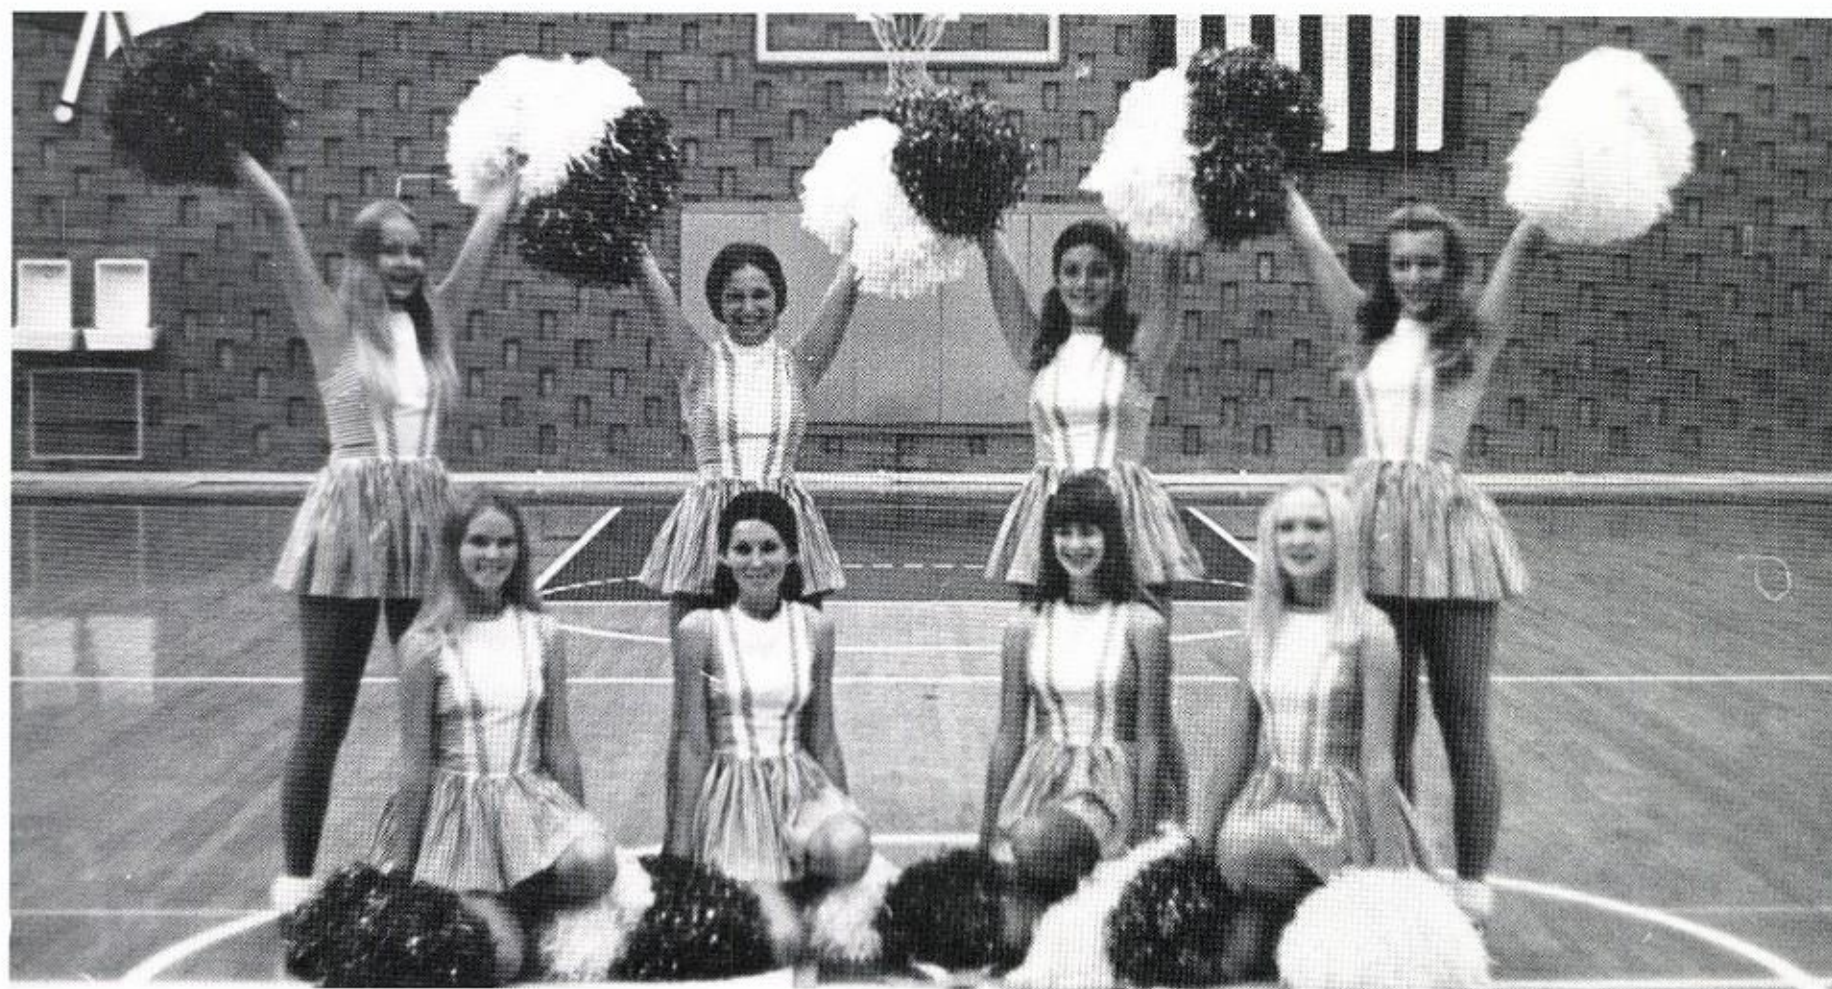

Songsters strike up spirit in Kings.

Head songleader Cindy Orn gets a kick out of football games.

This year's songleaders under the direction of Miss Bonnie Waters struck up songs and chants throughout the football and basketball season. Head songster Cindy Orn helped the incoming 1972-73 songleaders Lori Waits, Carolyn Anderson, Dona Simmons, Beth Roberts, Eve Funk, Mendy Edwards, and Roberta Schulte. They conducted themselves in perfect cadence and rhythm performing at halftimes and pep rallies.

The baby Kings were a stylish ball club. They were well-coached and finely honed. With the maturation of the Frosh gridders, the future of football at Kofa should be bright. The freshmen are a talent-ridden team. Rocky Curtis was the main gun in the Kofa arsenal. He swiveled and danced for record-breaking yardage. George Armstrong and his cannon arm contributed greatly to the cause. Other outstanding players were Gil Jones and Ricky Labistre.

'72 Cross country team follow tradition.

VARSIITY: Bottom: Mike Maynard, Brian Sanchez, Victor Lopez, and Richard Beach. Top: Fred Tillman, Bill Doeblbler, and David Rodriguez.

This year's record is five wins and 4 losses.

The Kings placed second in the Kofa invationals.

David Radtke 2nd highest scorer in the Central Division.

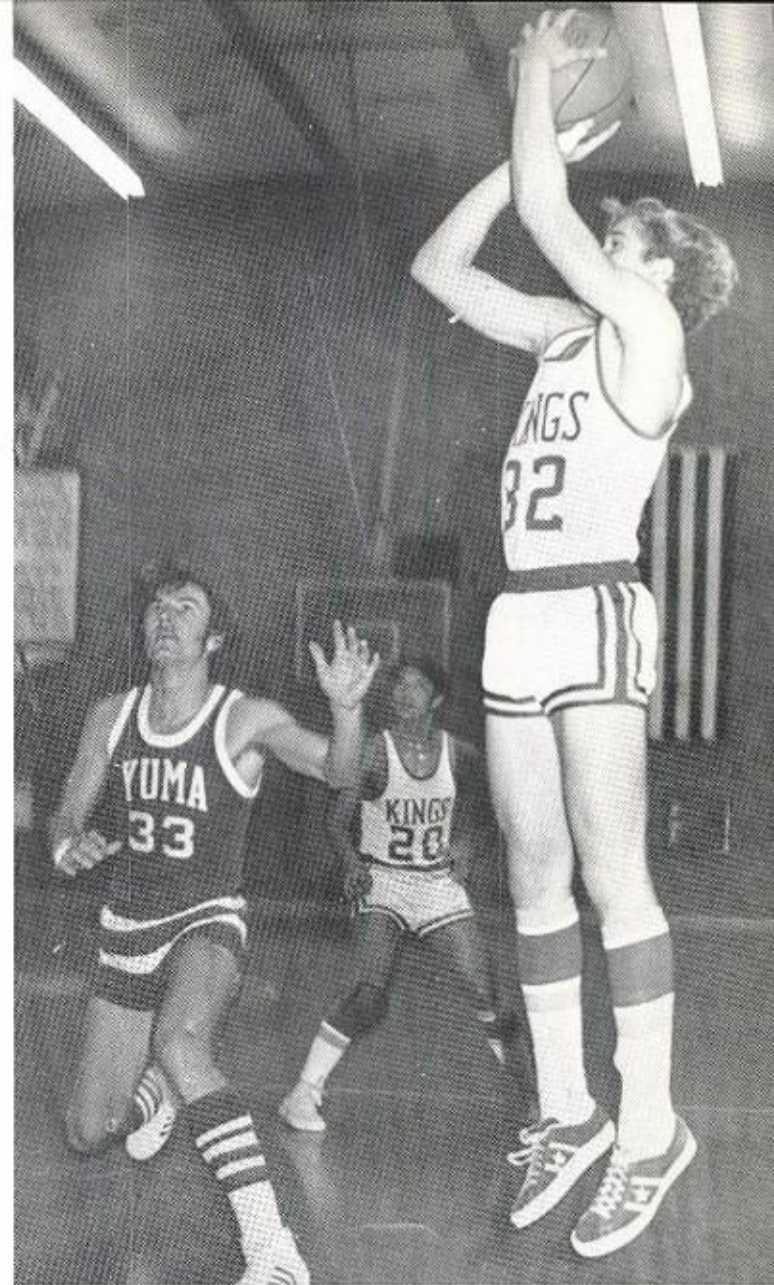

Flying Bill Fox surprisingly grabs another rebound for Kofa's Varsity.

Bill Fox scores two points on a back door trap play.

This years varsity basketball team had quite a year. Behind fine shooting from Radtke, Fox, Harvick, Amick, and Wolfe the Kings had a good percentage team over all. Junior Scott Baker and Sophomore Danny Mendoza took honors for this year's team. Mendoza played a key role as a Sophomore starter. David Radtke was Kofa's only returning starter from last year's Varsity squad.

The biggest fame of the year was a 70-59 victory over cross-town rival Yuma which gave the King's the first City Championship Trophy and boosted the morale of the team. Let's hope Kofa retains the trophy for many years to come.

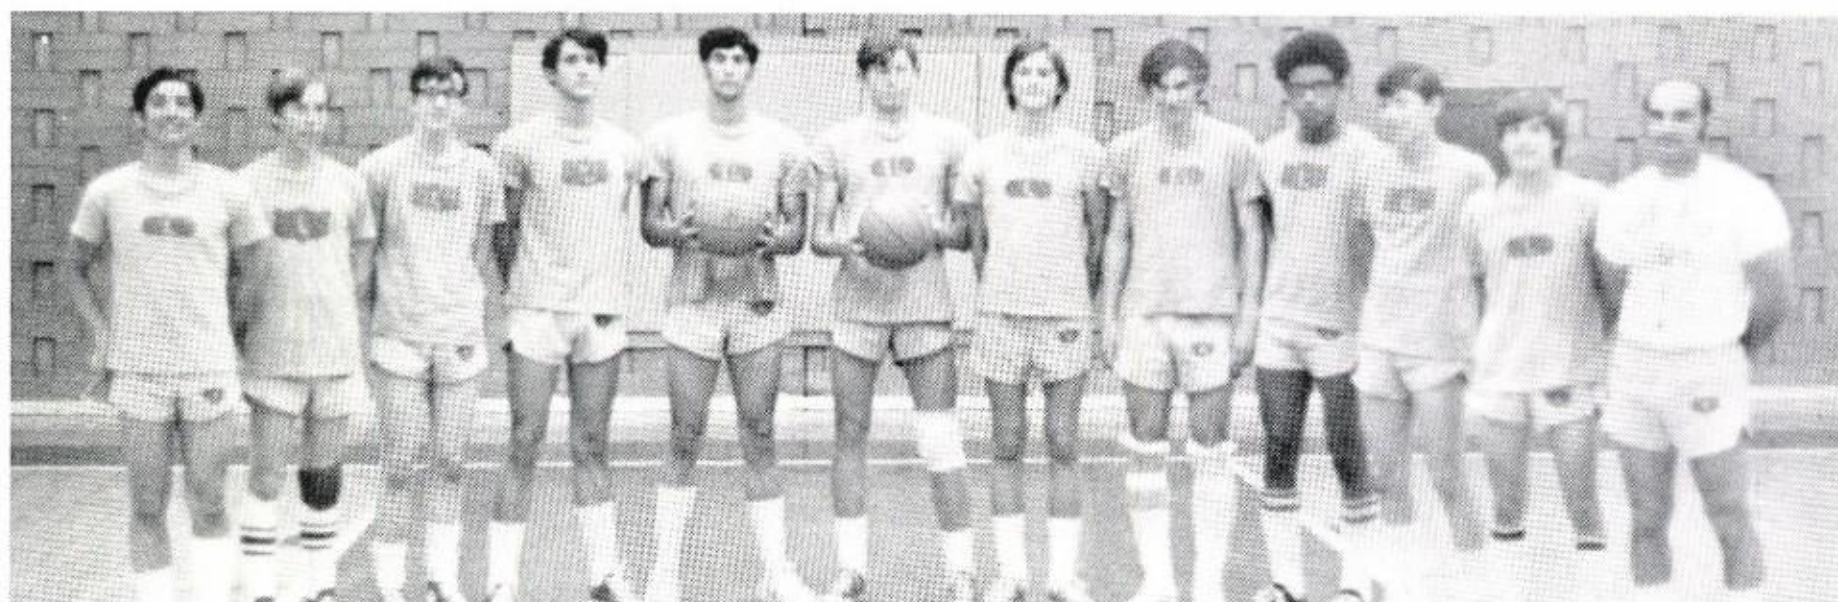

Junior Scott Baker tries for two points in 70-59 victory over cross town rival, Yuma.

Manhandling opponents is JV's favorite pastime

Richard Jaramillo, Tom Flannagan, Brian MacBeth, Fred Tillman, Don Duncan, Tom Stevenson, Kendall Amick, David Taylor, Gerald Smith, Bill Laguna, Ernie Rillos and Coach Fred Weber

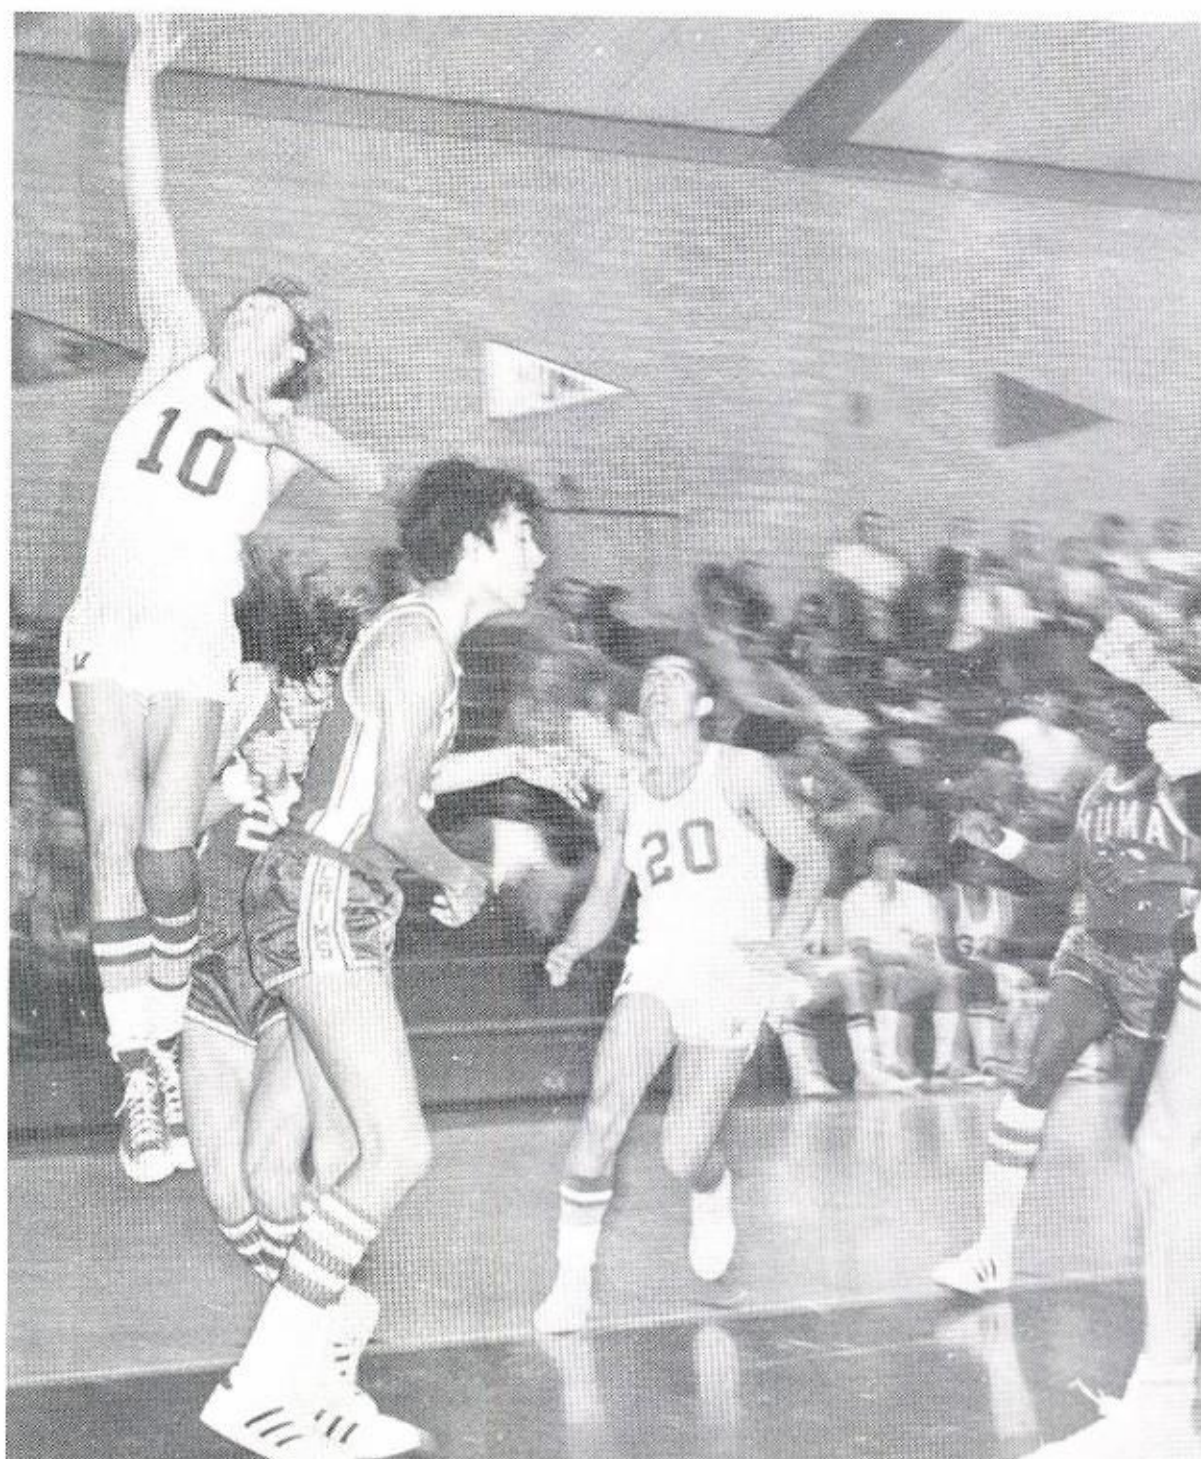

Teamwork was the name of the game as the Kofa JV's swished through another rough season.

Led by junior Ernie Rillos and Tom Flannagan and sophomores Fred Tillman, Don Duncan and David Taylor, the gang manhandled their opponents.

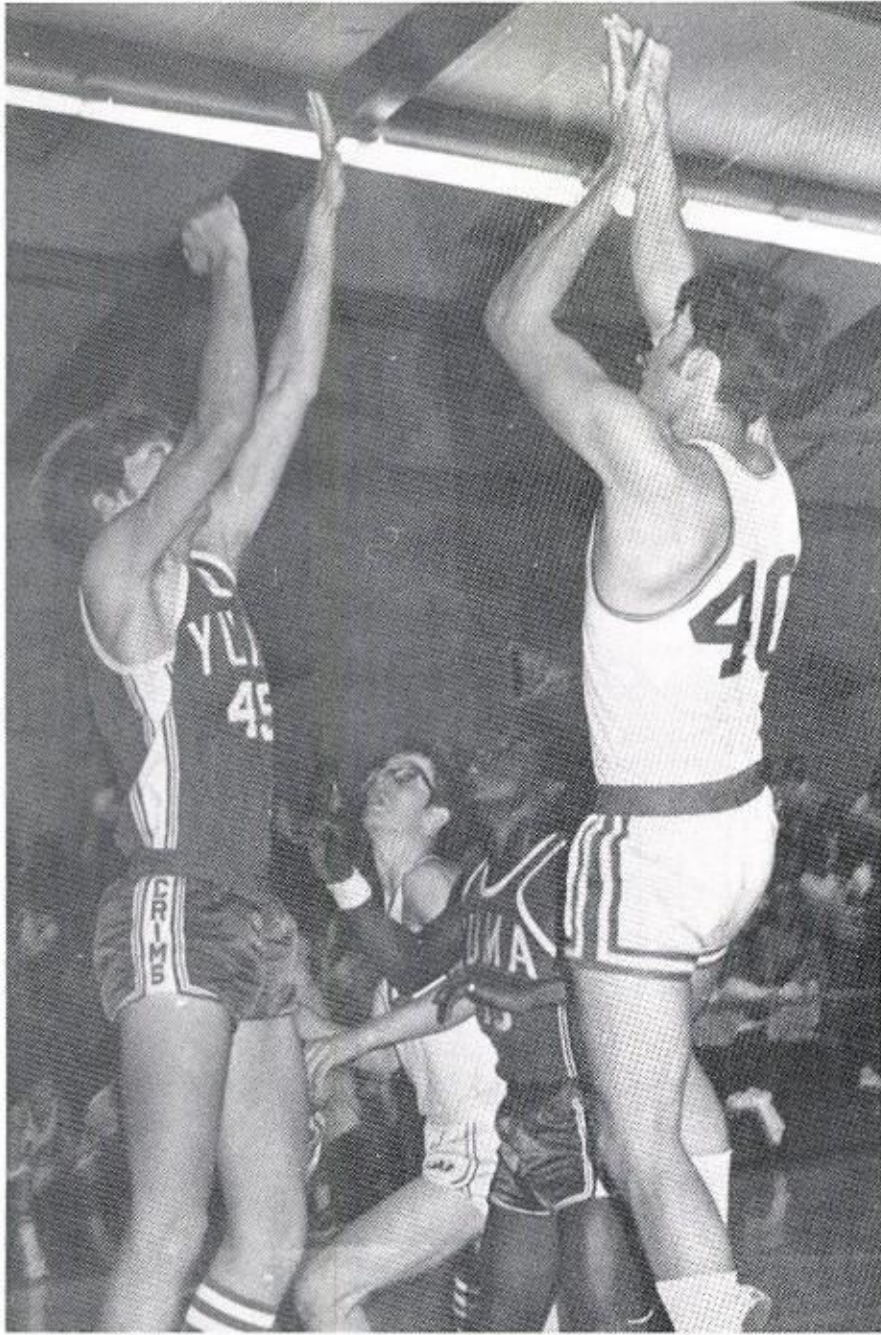

The highlight of the season for Coach Weber and Co. was undoubtedly beating cross-town rivals, Yuma Criminals on the Kofa floor.

The Faces At The White House

School Board Members: Top Row: Joe Montoya, Bud Lemke, Bottom Row: T. O. Beach, Helen Bennett, and Bill Moody.

This year's school board was headed by Ms. Helen Bennett. Their meetings were held every other Monday. During these meetings, student representatives were asked their opinions, and encouraged to comment on matters that would directly affect the students at Kofa.

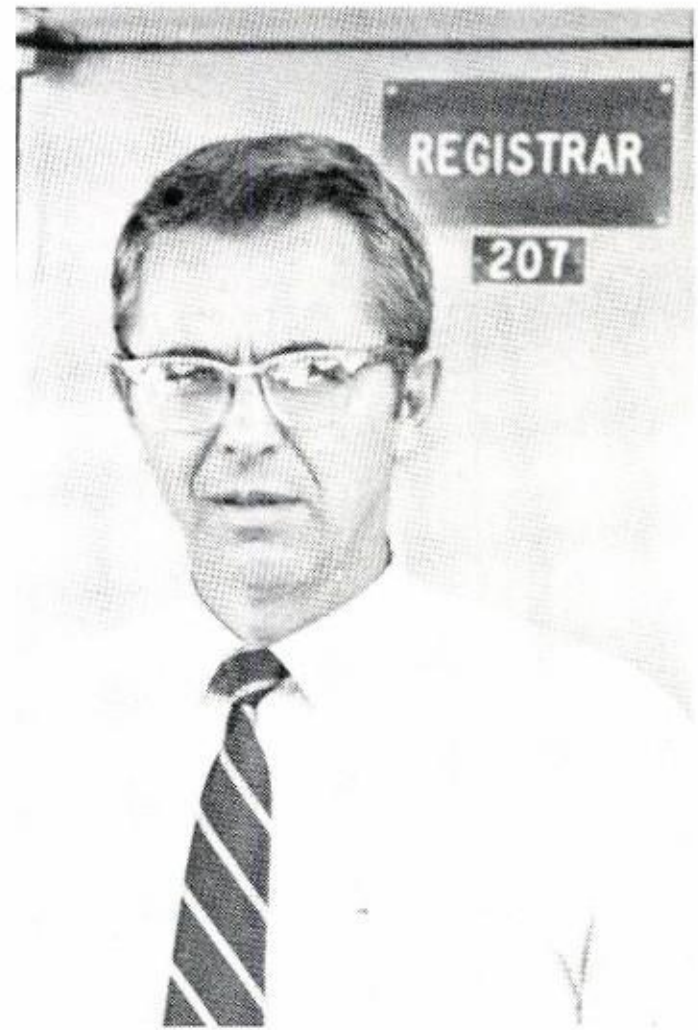

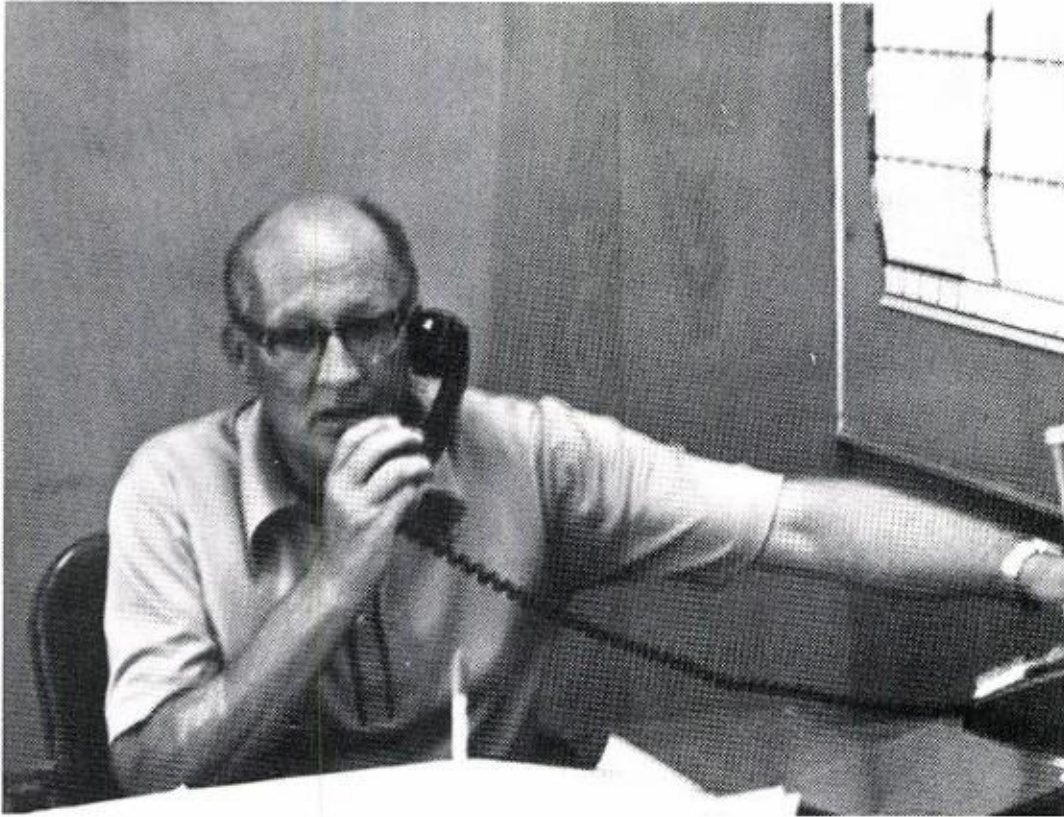

Mr. Canode, our superintendent functioned successfully as a liaison between the school board, the public, and Mr. Elliott.

Kofa's principal, Mr. Harold Elliott, is known for his willingness to listen to any matter, and his availability to teachers and students alike.

Mr. Elliott, principal at Kofa, listens to another problem.

Administrators

Helping Mr. Elliott run the school were Mr. Phelps, Mr. May, and Mr. Walters. Mr. Duane Phelps, the assistant principal at Kofa, was the disciplinarian and also handled activity requests and requisitions. Taking care of attendance and grades, and heading the Registrars Office, was Mr. Thomas May. Director of Athletics was Mr. Robert Walters.

TEACHERS

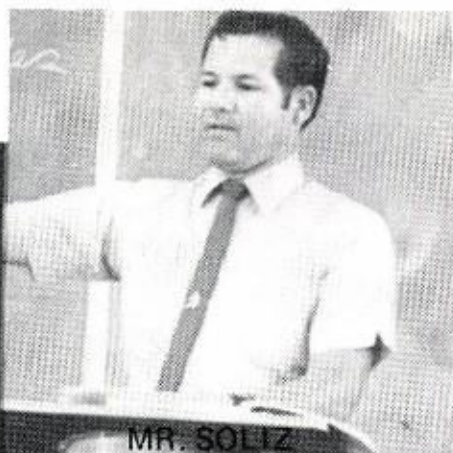

What is a teacher?

An animated performer reading Shakespeare. An abstract thinker scrawling equations on the blackboard. A deadshot showing a P.E. class the fine points of a lay in. A gay Mademoiselle conversing in French. A philosopher pondering an elusive idea. A crack mechanic helping tune the notorious Blue Streak. A sympathetic and understanding friend listening to pressing problems.

Search the faces of these people who put their hearts and minds into their work. You will find enthusiasm, character, experience, and love for their work . . . and even for their students.
